

FASTLISA

MAIN GOAL

Promote understanding, detection and counteraction of online hate speech

NO HATE SPEECH

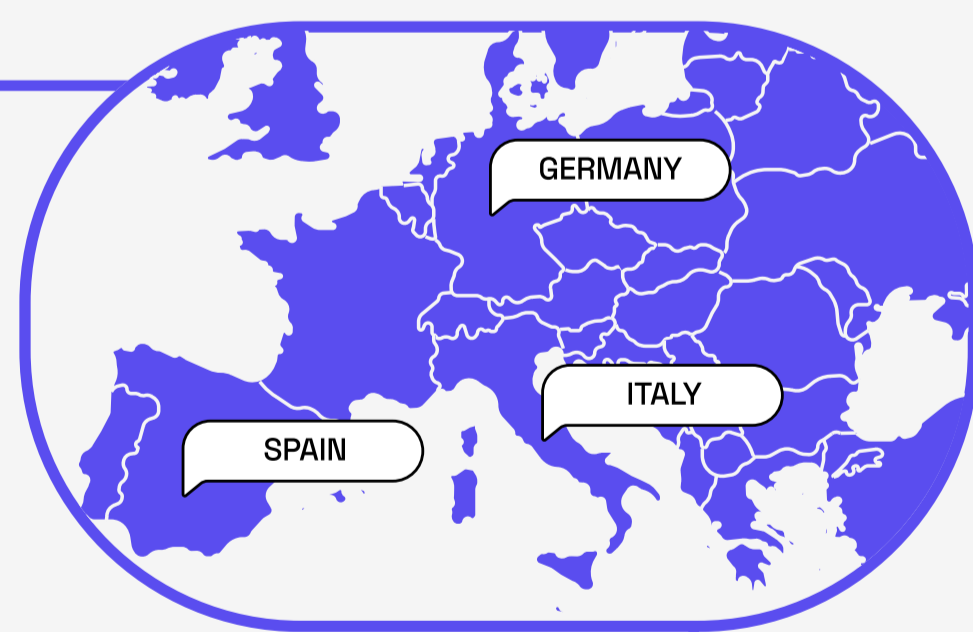

Inter-generational and multidisciplinary collaboration

- * young people
- * academics / experts
- * local authorities

Intercultural collaboration

- * Ravenna in Italy
- * Santa Coloma in Spain
- * Offenbach County in Germany

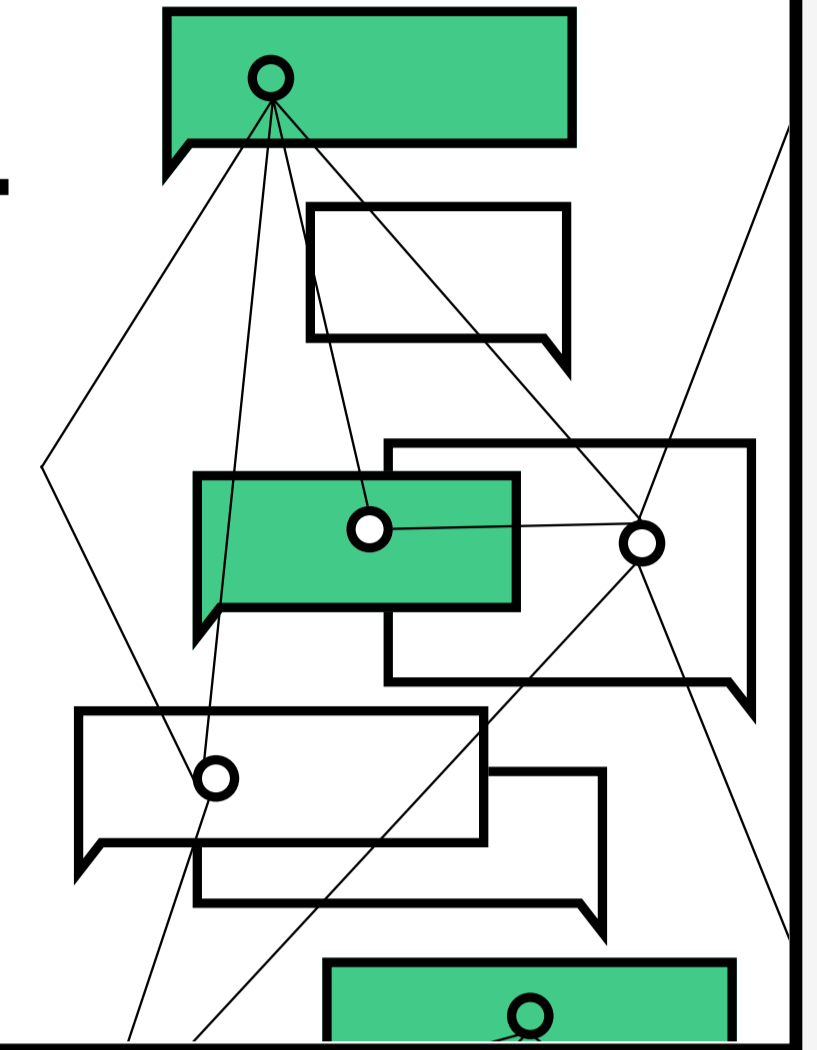

EU cities and regions where intercultural and social inclusion are strongly tied

PHASES

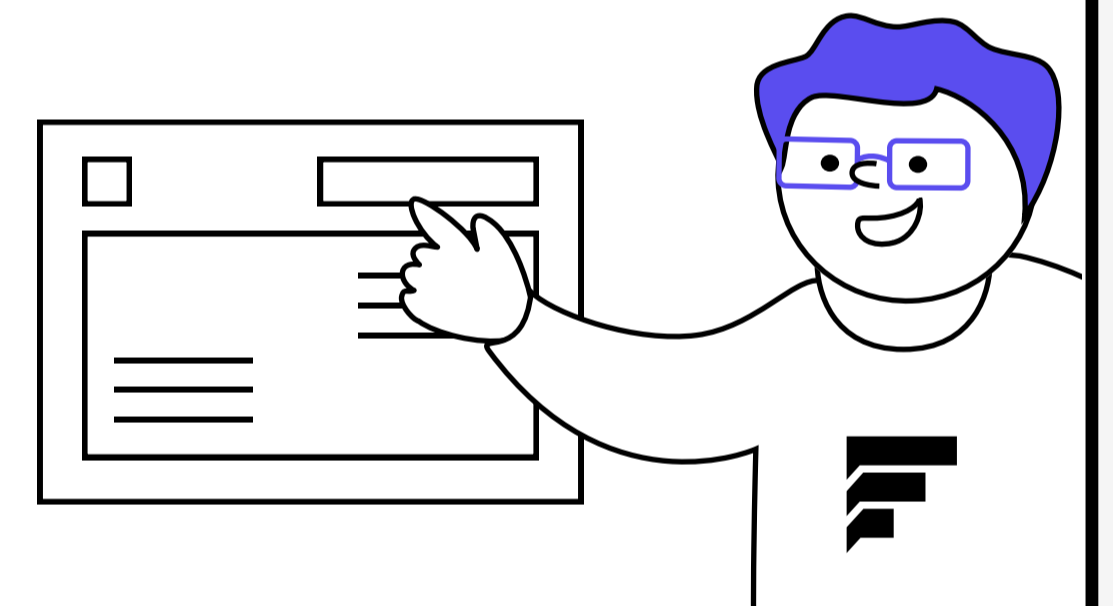

1. FAST LISA TOOL

will be used to analyze the phenomenon in different scenarios to better understand it

2. EDUCATIONAL PROGRAMME

involving youth in using the tool to detect and counteract online hate speech and raise communities' awareness on the need of contrasting it

3. ENGAGEMENT

the FAST LISA cities and local authorities will be engaged in a policy co-design process aimed to define a plan for contrasting online hate speech

Co-funded by the European Union
